

RSA-MIL-CONST-335

CONSTITUTION OF THE RSA MILITARY STEERING COMMITTEE (RMSS)

SCOPE AND PURPOSE OF THE RMSS

1. Scope of standardisation

1.1 Standardisation in the context of the RMSS constitution entails the development, maintenance and approval of RSA military documents, the acceptance of National-, International- or Commercial standards and specifications, or the formal adoption of such external standards and specifications for military purposes;

1.2 the standardisation and rationalisation of hardware systems / items / products.

2. Purpose of the RMSS

2.1 To act as steering committee for the co-ordination of policy, practices, procedures, processes and structures of, and for liaison between the organisations involved in the field of standardisation.

2.2 To act as steering committee for decision-making and guidance with regard to the development, implementation, operation and maintenance of standardisation within the Defence family, and periodically also at national level.
