## ***THE STORAGE OF VEHICLES UNDER SHADENETS: PROCEDURE FOR***

### **SCOPE**

#### **1. Purpose of Procedure**

The purpose of this document is to describe all the activities that must be carried out on vehicles to be stored for short – to long-term periods under shade-nets (semi- permanent structures), to guarantee availability and to prevent degradation, etc.

This document must be used as a guideline by the SA Army and ARMSCOR, in the preparation, preservation, maintenance, re-preservation and re-commissioning of vehicles stored under shade-nets.

#### **2. Applicability**

This document establishes the procedures for the preparation, preservation, maintenance, de-preservation and re-commissioning of SANDF vehicles to be stored under shade-nets, according to the suppliers requirements.

This military procedure also provides Armscor and the SA Army with reference material that will enhance standardisation on the handling of vehicles to be stored under shade-nets.

#### **3. Document overview**

This procedure is divided into five sections. The aspects covered are as follows:

Section 1: Deals with the scope of the procedure.

Section 2: Deals with referenced documents.

Section 3: Deals with definitions and abbreviations.

Section 4: Deals with the responsibilities of tasks for the storage of vehicles under shade-nets.

Section 5: Deals with the procedures for the storage of vehicles under shade-nets.
