

RSA-MIL-SPEC-14

MANUALS, TECHNICAL: JOINT REGULATION GOVERNING USE AND ALLOCATION OF UNIFORM SOURCE MAINTENANCE AND RECOVERABILITY CODES

1. PURPOSE

To establish uniform source, maintenance and recoverability (S, M & R) codes and to prescribe policy for the application of these codes.

2. SCOPE

Uniform S, M & R codes may be used by the RSA Defence Family. Subject, to the user options delineated herein, each user will ensure that the coding structure is used by their logistics management system in order to accomplish uniformity and to provide a means of inter-user communication of information on multi-user equipments.
