

RSA-MIL-SPEC-31

RSA MILITARY DRAWING SPECIFICATION

SCOPE

1. Purpose

This document prescribes general requirements for the acquisition, preparation and revision of drawings and associated lists by, or for the South African Defence Family.

2. Application

The requirements of this document are applicable to drawings and associated lists regardless of their mode of preparation.

- 2.1** Drawings and associated lists prepared by other than manual means (i.e. computer, plotter, photsetter, etc.) shall provide all the information required for the particular design levels. Minor variations from RSA-M.IL-STD-32 to accommodate document preparation techniques, shall be acceptable, as long as these variations do not reduce the information content requirements. (See 9.2.1)
