

RSA-MIL-STD-98

CLEARING MILITARY AREAS OF UNEXPLODED ORDNANCE (UXO)

SCOPE

1. Purpose

This document shall be used whenever a military area is to be cleared of UXO.

2. Applicability

The Standard is applicable to the Department of Defence (DOD) funded or managed activities, such as the planning, contracting, execution, UXO risk education, and certification of Military Training Areas, reclaimed Military land, test/proof/demolition ranges and any contaminated areas to be cleared of UXO for human habitation.

This document is also applicable to the accreditation, monitoring and post-clearance inspection of clearance organisations conducting UXO clearance tasks.
